PROFESSIONAL SUMMARY

- Passionate and detail-oriented Front-End Developer with hands-on experience building responsive, user-friendly web applications using React.js, Material-UI, and modern front-end technologies. Skilled in writing clean, maintainable code and collaborating effectively in both freelance and corporate environments. Committed to continuous learning and creating intuitive digital experiences that align with user needs and business goals.

TECHNICAL DETAILS

- Responsive UI Development: Skilled in building responsive, modern interfaces using Tailwind CSS and Material-UI (MUI).
- CSS & Styling: Proficient with SASS for modular styles and experienced in clean, maintainable CSS architecture.
- Debugging: Efficient in using Chrome DevTools to troubleshoot layout and performance issues.
- API Integration: Experienced with fetch, AJAX, and integrating REST APIs for dynamic content.
- UX Basics: Understanding of core UX principles to deliver intuitive user experiences.
- Graphics: Capable of creating/editing UI elements using Canva and similar tools.

WORK EXPERIENCE

Software Developer | Jan 2024 - present

Bankai Informatics Pvt. Ltd. (formerly known as Acute Informatics Pvt. Ltd.), Ahmedabad, Gujarat, India

- Developed scalable front-end interfaces using React.js and Material-UI, integrating REST APIs and collaborating with cross functional teams to deliver responsive web solutions.
- Employed Git for version control and agile methodologies to ensure on-time delivery.

Freelance Frontend Developer (React.js) | Oct 2023 - Jan 2024

h-Case

- Developed dynamic modules for a web application that streamlined patient onboarding and treatment workflows using React.js and Material UI.
- Independently handled front-end architecture and UI design, contributing to enhanced user experience.
